By reading the website guide, you will understand a bit about how RealBridge works, and you will enjoy the event more, because you can use the settings and media controls.

If you are a tablet user, we suggest that you use “Simplified cards”.

**Step 1 - getting ready – special camera and microphone test, takes 3 mins, please do it a little time before. If you leave it until the last moment, we may not have time to assist you. You will be asked to provide Camera and Microphone access. Please make sure you answer the questions Yes.**

Make sure your camera and microphone are working. Log out of any other applications.

Do the test here. Allow time to do this. Please do look at all of the page, because if you don't see your video, there are explanations about what to do.

If it still doesn't work, contact [support@realbridge.online](mailto:support@realbridge.online) tell them your computer (PC, Mac, iPad, Android tablet, etc) and your browser (Chrome, Edge, Safari, Opera, etc). You must tell us this information, otherwise we cannot help you.

**Step 2 - in order to play on RealBridge**

Just click the link below. Put in your **full real name**, and click **login**. (see the pink arrow, just put your full real name there please, nothing else is needed)

ID is NOT needed, just leave that blank.

**TO PLAY:**

Please click this link:

---

Please sit immediately - don't just wait in the lobby area.

Sit at a table (by clicking **Sit E**, for example). Please familiarise yourself with the buttons, and click the settings icon to choose options that will suit you.

If <b>you and your partner</b> agreed to play together today	If you have <b>no partner</b> , and want to play with someone who also is joining without a partner
Please sit at table 1 to 3	Please sit at table 4 or higher

**Information you need to read:** List of computers and browsers which can be used

There are some constraints on the type of device you can use to access RealBridge:

Can Use	Can't use
<ul style="list-style-type: none"> <li>• Windows laptop</li> <li>• Windows tablet</li> <li>• Windows desktop</li> <li>• MacBook or other Apple laptop</li> <li>• iPad (from 2015 or newer)</li> <li>• iMac or other Apple desktop</li> <li>• Chromebook</li> <li>• Android tablet</li> </ul>	<ul style="list-style-type: none"> <li>• Smartphone</li>   <li>• Old iPads, older than 2015.</li> </ul>

You must use one of these web browsers (you probably are using one of them!):

Can Use	Can't use
Edge, Chrome, Firefox, Safari.  The logo must look like one of these – <b>exactly</b> as below. If it looks different, you are using an out-of-date version.	Internet Explorer (notice the gold band)  The old EDGE (see shape of the e)
