

2026 MANAGEMENT COMMITTEE ELECTION - NOMINATION

Caprice Davey (nominating for President)

I learned to play bridge in 2015 and have been a member of SA Bridge Association since that time.

I have been in the President role of the bridge club since 2023 and am up for reelection.

My day job is currently a manager role in an engineering design company. However last year I had a 'sabbatical' from working and had the chance to support the club as a cover director during that time. This included covering sessions at Unley, Walkerville and Glenelg.

During my time on the committee I have been an active volunteer including all working bees, supporting Pleasant Sundays and organising catering for congresses and Melbourne Cup lunches.

I would love to continue to support the club in the role of president.
