

Sheila Bird
Committee Nomination

I joined the Committee in 2019, when I was asked to assist with Tournament issues. We've faced a number of challenges and changes over the last 6 years and I have enjoyed working with our Committee to address those issues and to ensure our club is a safe and enjoyable place for everyone to play their bridge.

I have worked with our Committee to develop and introduce new types of events and development opportunities over the years. Our 'bid, play and learn' with an expert was very well received this year, and has been scheduled in our 2026 calendar. Thanks to all our volunteers who participated in that event, and in our Teams with a Mentor.

I have also represented our Committee at the SA Bridge Federation and have assisted in providing opportunities for our players at all levels.

I would be happy to be re-elected by our members to work with the Committee to continue to grow our club and to ensure it is friendly place for our members and guests.
